The screenshot shows the Scratch Studio interface for a project titled "Tahoe Rock Star Camp 2015". The top navigation bar includes links for "Create", "Explore", "Discuss", and "Help", along with a search bar and user avatars for "CreeperWC500". The project page has tabs for "Projects (5)", "Comments (0)", "Curators", and "Activity". A button "Add projects" and a checkbox "Allow anyone to add projects" are visible. The project is followed by "1 Follower". The main area displays a grid of project thumbnails. The first thumbnail shows a person using a laptop, with the text "dated 19 Mar 2015" and "s is a shared destination for chers attending Tahoe Rock Star mp 2015." below it. The other thumbnails are: "Calculator" by CreeperWC500 (a calculator interface), "Golf" by CreeperWC500 (a green background with a yellow path and a golf ball), "polygons" by CreeperWC500 (a circle with a point on its circumference), and "Color Changer" by CreeperWC500 (a colorful, abstract shape). A fifth thumbnail, "Trip to the Great Pyram...", is partially visible at the bottom.
